\$675,000

3 Bedroom, 3.00 Bathroom, 1,115 sqft
Residential on 0.13 Acres

Mayland Heights, Calgary, Alberta

STUNNINGLY RENOVATED WITH DOWNTOWN VIEWS, A SUNNY WEST-FACING YARD, AND LOCATED ON A LARGE LOT IN MAYLAND HEIGHTS. This is not your typical renovation; as if taken from the pages of an interior design magazine, this home exudes style and character throughout. French white oak hardwood, installed in a herringbone pattern, runs throughout the main floor of this open-concept and functional home. The chef's dream kitchen features custom cabinets designed to maximize space efficiently, complemented by a high-end appliance package, including a gas stove and a paneled dishwasher. Large windows offer views of the downtown skyline and the expansive backyard. The large island boasts thick stone countertops with waterfall edges, pendant lighting, and seating, opening onto a spacious living room, creating an ideal setup for entertaining. The skyline views continue into the primary bedroom, which offers ample space, a walk-in closet with built-in storage, and access to a luxurious ensuite bathroom. The ensuite pampers with heated floors, floor-to-ceiling tile, a 6.3-foot single-piece soaker tub, a double shower with a thick glass surround, dual sinks, and a recessed ceiling with LED color-adjustable lighting. The second bedroom, designed to function as a secondary primary retreat with the option to be closed off, is generously sized with its own large closet featuring built-in storage and is adjacent to another fully renovated bathroom. The fully

developed basement showcases a cool industrial-style open ceiling, a large media/family room area, a gym/games area, another bedroom with an egress window, and a third full bathroom with in-floor heating. The west-facing backyard, bathed in sunlight, includes a spacious patio area, custom wood planters, and a large gravel parking pad suitable for vehicles of all sizes. NEW LUX TRIPLE-PANE LOW-E DOUBLE-GLAZED WINDOWS THROUGHOUT, NEW FURNACE, NEW INSTANT HOT WATER TANK, NEW ELECTRICAL PANEL, BLOWN-IN R60 INSULATION, CENTRAL AC, A QUIET STREET, AND SO MUCH MORE!

Built in 1962
